BTR Inc.
PRESS RELEASE
June 10, 2010

BOARD TRACK RACING INC. is proud to announce the completion on JUNE 10, 2010 of the AGUADILLA VELODROME.

BTR INC. was selected in 2009 to design this prestigious sports facility. Located within the historic Ramey Air Force base in the western Puerto Rican city of AGUADILLA, this 250 metre velodrome was only recently fully homologated by the UCI and will be the site of all track racing events for the 2010 CENTRAL AMERICAN AND CARIBBEAN GAMES taking place in Puerto Rico commencing on July 17, 2010. All velodrome events are scheduled for the days of 24th, 25th, 26th and 27th of July, 2010. The Games will close on August 1, 2010.

The AGUADILLA VELODROME is an outdoor facility that was commissioned in 2009 by the PUERTO RICAN DEPARTMENT OF SPORT. Built in 2010 by the Puerto Rican Construction Company DESARROLLADORA J.A. INC., this \$1.6 million velodrome was constructed utilizing a custom BTR velodrome design (with full construction supervision by Peter Junek, velodrome designer and founder of BTR Inc./Junek Velodromes).

The AGUADILLA VELODROME is the first velodrome built on the Caribbean island in over 20 years, and BTR INC. is proud to have provided Puerto Rico and the entire Caribbean region with a brand new/custom designed velodrome, which is sure to attract attention not only locally but also internationally.

Founded in 1993, BOARD TRACK RACING (BTR Inc.) has designed and/or supervised the construction of over 20 velodromes in Canada, The United States, Mexico, South Korea, Sweden and Portugal. BTR Inc. designs boast state-of-art geometry and precise scientific calculations, combined with founder Peter Junek's over 40 years of velodrome racing experience, in providing user friendly, top of the line facilities utilizing both traditional and new materials.
